Pascal Béasse

Chief Investment Officer

A graduate of the ESSEC business school in general management, Pascal Béasse has held various posts in insurance within financial departments (AGF/Allianz and Marsh & McLennan Companies), before joining CNP Assurances in 2006 as head of budget and cost optimisation.

In 2013, he was appointed Head of Industrial Operations at CNP Assurances in charge of customer relations support and communication activities. In 2019, he became Head of Group Outsourcing Management within the CNP Assurances General Secretariat.

He is now the Group's Chief Investment Officer.
