## **Biography**

Updated oct 2024

## **Michel GENIN**

### **Head of Financial Communications and Rating Agency Monitoring**

He is a graduate of Télécom SudParis and holds a master's degree in actuarial science and is a qualified actuary of the Institute of Actuaries. He joined CNP Assurances in 2016 as an ALM (asset/liability management) manager within the investment department. In 2018, he worked as modelling actuary at the Italian subsidiary CNP UniCredit Vita. In 2020, he became a financial engineer in the CNP Patrimoine business unit in charge of innovation of unit-linked products before being appointed, in 2022, task officer to the Deputy Chief Executive Officer and Chief Financial and Extra-Financial Officer of CNP Assurances.

As Head of Financial Communications and Rating Agency Monitoring since September 2024, he contributes to financial education, particularly in relation to IFRS 17, and is also responsible for the preventive recovery plan of CNP Assurances.
