

CNP Assurances rated AAA by MSCI for its ESG practices

The MSCI agency, whose “ESG Ratings” focus on companies’ Environmental, Social and Governance practices, has upgraded CNP Assurances’ rating from AA to AAA. With a score* of 9.7/10, the Group tied for 5th place worldwide in the “Life and Health Insurance” category.

As a responsible insurer and investor, CNP Assurances places sustainability at the heart of all its businesses. The Group manages its financial and non-financial performance as a whole, guided by its purpose, which is to act for an inclusive and sustainable society and to protect as many people as possible.

The MSCI ESG AAA rating, the highest in the ranking, rewards the efforts of CNP Assurances SA and its French and international subsidiaries in the area of sustainable development. This 2024 edition highlights the Group’s actions in the areas of human resources management, cybersecurity practices and responsible investment initiatives.

Every year, MSCI ESG assesses the ESG practices of thousands of companies, and more specifically measures their management of financially relevant ESG risks and opportunities.

** Industry Adjusted Score*

Thomas Béhar

Deputy Chief Executive Officer, Chief Financial and Non-Financial Officer of CNP Assurances Group

“This rating, the highest awarded by MSCI, is an acknowledgement of CNP Assurances’ leadership in managing risks and opportunities related to sustainable development. It rewards our long-term commitment to the environment and our policy of investing in climate, biodiversity and social issues.”
