Emmanuel Brutin

Head of Insured Portfolios

Emmanuel Brutin graduated from ESCP Europe in 1995. He started his career as a market maker in government bonds at Louis Dreyfus Finance. Two years later, he joined Caisse des Dépôts et Consignations GmbH in Frankfurt as a market maker in derivatives.

In 1999, he returned to Paris, where he worked as a market maker in euro derivatives and then, from 2005, as a fixed-income trader at IXIS CIB. In 2008, he became Head of FX Treasury in Natixis SA's Treasury and Arbitrage Department.

He joined the CNP Assurances Investments Division in 2011, as Head of Individual Savings Portfolio Management.

Emmanuel Brutin has been Head of Insured Portfolios at CNP Assurances since 2013.
